Oversight Committee Mission Statement

We exist to secure two fundamental principles. First, Americans have a right to know that the money Washington takes from them is well spent. And second, Americans deserve an efficient, effective government that works for them. Our duty on the Oversight and Government Reform Committee is to protect these rights.

Our solemn responsibility is to hold government accountable to taxpayers, because taxpayers have a right to know what they get from their government. We will work tirelessly, in partnership with citizen-watchdogs, to deliver the facts to the American people and bring genuine reform to the federal bureaucracy.

This is the mission of the Oversight and Government Reform Committee.
